# **President's Report**

## **Kevin Rose**

### **2005-2006**

Change seems to be the current theme for our association these days. We have made changes to our by-laws over the last couple of years that reflect the changes made in Extension with the reduction of one district. As a result the structure of our state Board has been altered. We continue to see changes in our membership as it has decreased due to reduction of staff and retirements. We changed our state meeting this year to participate in the first ever joint association conference. We also made some changes with the Legislative Ham Breakfast.

Through all of these changes our association continues to be strong. The following is a summary of our activities during the 2005-06 TAAA&S calendar year.

- ★ Thirty-three members, spouses, children and guest made the trip north to the 2005 NACAA AM/PIC in Buffalo, New York. Tennessee was well represented by the following members:

DSA - Milton Orr, Delton Gerloff, Glen Wolfenbarger and Mike Buschermohle

Posters - Kevin Rose, Rob Holland, John Campbell, Karla Keen, Mike Buschermohle and Creig Kimbro

Horticulture Presentation - Karla Keen "The Use and Perceived Value of Shade Trees in Thirty-two Childcare Facilities in a Middle Tennessee County"

Communication Awards - Megan Bruch -National Finalist "Computer-Generated Slide Set"

National Committee Chair - Alan Galloway -Recognition and Awards

Pre Conference Livestock Seminar and Tour - Mitch Ingram

Other members attending - John Wilson, Calvin Bryant, Tim Campbell, Mike Dennison, JW McGuire, David Perrin, Amanda Ziehl, Larry Moorehead and David Yates

- ★ The state Board cooked steaks at the State Farm Bureau Presidents Conference again this year at the Tennessee State Fairgrounds. This has become a very visible activity for our association.
- ★ In the fall our membership selected a monetary sum of \$5000 that was sent to support the hurricane victims through the Animal Relief Fund. With other contributions included our association donated approximately \$8500. Please see the response we received from Elmo Collum following my report.

- ★ In December we had our annual luncheon at the Farm Bureau State Conference. This is always a highlight program for us. More of our membership participates in this activity than any other that we conduct.
- ★ The Legislative Ham Breakfast was held March 1st. This year we were a part of UT Day on the Hill.
- ★ Last April I had the opportunity to represent the association along with Jimmy Castellaw at the Public Issues Leadership Development Conference in Washington D.C. We met with all of our Congressmen and women and had the honor of meeting Senator Lamar Alexander during legislative visits.
- ★ David Yates and I attended the JCEP Southern Region Meeting in Nashville in February. There we heard about the programs and activities of the other Southern Region state associations. We also received updates from the NACAA National Board.
- ★ David Yates has spent a lot of time working to get our web site launched. We are in the final stages of getting it put together and hope we can go online this year.

I have to take time to recognize the state Board who has made my job easier this year. Jimmy Castellaw provided the leadership that made my year much easier. David Yates has served our association well as President Elect and has taken on many difficult tasks. Charlie Hall has done a great job tackling some activities that he had never seen before since coming on as Vice President. I cannot say enough about the job Rob Holland and Jeff Via have done in making sure that our membership was complete and accurate in addition to their other responsibilities. Many times this year each of these officers has put countless time into making our association the best it can be. I hope that you appreciate as I do the job they did.

It has been my pleasure to serve as your association president over this last year. I have to say that I have learned more from the experience than I have provided. I want to encourage members to take advantage of leadership opportunities in the association. The only way to make a difference during times of change is to get involved.

Yours truly,

Kevin L. Rose  
TAAA&S President

## COMMITTEE REPORTS

Many of the NACAA committees are still developing their programs and may have little to report thus far. Committees without a report are not a sign that a state chair is not fulfilling the duties of the committee. Some may not have received communication from NACAA Regional Vice-Chairs. Others may not have received entries in the professional improvement activities that the committee oversees and thus have no information.

## **HORTICULTURE COMMITTEE**

**Aaron Robinson, Chair**

Zero applications were received from TAAA&S members for the NACAA/RISE Horticulture/Turfgrass Study Tour.

Submitted by Anthony Tuggle

## **Early Career Development Committee Report** **Melissa Henry, Chair**

The Early Career Development (ECD) Committee is responsible for developing educational programs directed at NACAA members with five years or less tenure. Efforts are to develop programs, materials and partnerships to orient and assist Extension personnel early in their career. Many times these programs are relevant to all agents regardless of their tenure.

The objectives are:

- ▶ Solicit input from new members regarding their expectations and training needs.
- ▶ Develop means to encourage new and early career members to participate and continue involvement in NACAA and the AM/PIC.
- ▶ Improve communications with early career members.
- ▶ Provide opportunities for graduate, continuing education and other professional certification credits for professional improvement.
- ▶ Encourage the development and utilization of mentoring programs in individual states.
- ▶ Understanding the awards and professional improvement opportunities.

For more information visit the Committee link off the NACAA website at [www.nacaa.com/Committees](http://www.nacaa.com/Committees)

## **4-H & YOUTH COMMITTEE** **J.Wayne Key, Chair**

In the Search for Excellence in 4-H and Youth Development there was not an entry in this category for this year and only one entry was submitted to the State Chair last year. This award needs more involvement from agents we all know are out there doing great things in youth programming.

## **PROFESSIONAL EXCELLENCE COMMITTEE**

### **Tammy McKinley, Vice Chair**

It is my pleasure to report that TAAA&S members presented seven posters at the 2005 NACAA-AM/PIC in Buffalo, New York. Those presenting were: Mike Buschermohle, Rob Holland, Creig Kimbro, John Campbell, Kevin Rose, Melody Rose, and Karla Kean. Although none of the entries placed in the national competition, we want to thank all for participating and for helping to showcase the excellent work taking place in Tennessee.

For 2006, nine poster abstracts from Tennessee have been submitted for regional review. Two posters are entered in the Applied Research category by Megan Bruch and Charlie Hall while all others are entered in the Extension Education Program category. We will be hearing from the national chair later this spring whether or not these entries will be accepted for national competition at the 2006 NACAA – AM/PIC in Cincinnati, Ohio.
